

Connect4Learning® is a researchbased PreK curriculum Filled with ample opportunities to build your 21stcentury child's skills in:

- Science
- Math
- Literacy
- Social and Emotional

Connect4Learning has 6 teaching units, 5 units lasting 6 weeks and the wrap up unit lasting 2 weeks.

audully

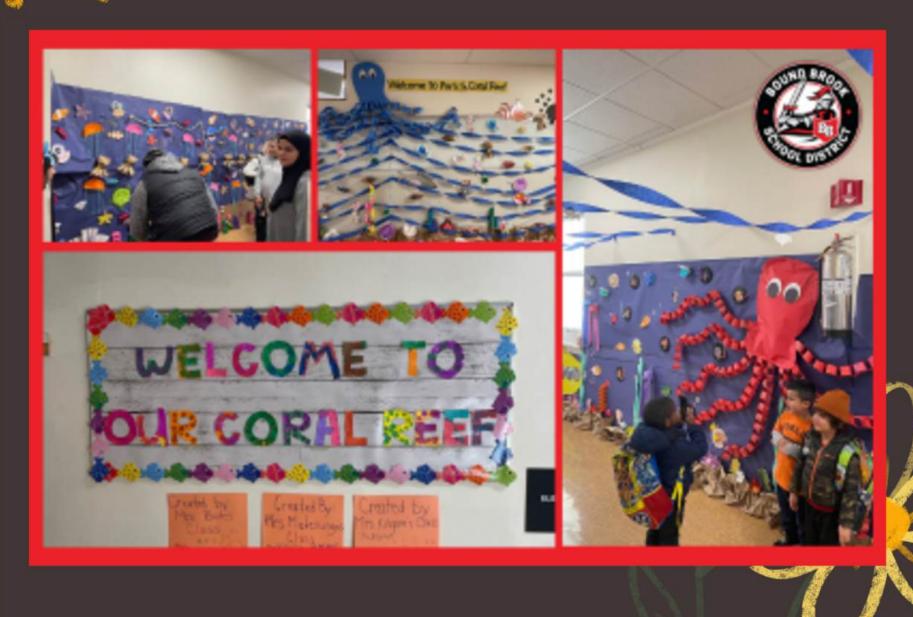

Each unit, children will work on a class project. For example, in Unit 2, children learn about the environment and coral reefs. They will work together to create a class mural or display utilizing recycled materials.

Vocabulary

Every C4L week highlights new vocabulary words that are incorporate throughout the week's lessons, providing children with extensive exposure & repeated practice.

C4L Encourages children to learn vocabulary through...

- Conversations
- Story Read Alouds
- Social Interactions
- Collaborative projects

C4L Learning Puppets

Lila the Letter Puppet helps us learn letter formation & initial letter sounds.

XXXXXXX

conrad the Confused Crow helps your child learn numbers, shapes, & other math concepts while encouraging children to listen & correct mistakes.

Arrival & Breakfast

Greet teachers & peers, hang up belongings, eat breakfast

Welcome & Read Aloud

Review daily schedule, participate in interactive read-alouds with classroom books

Connect, Small Group, & Fast Focus

Learn, review, and practice unit concepts in whole-group and small-group activities tailored to each child's unique needs.

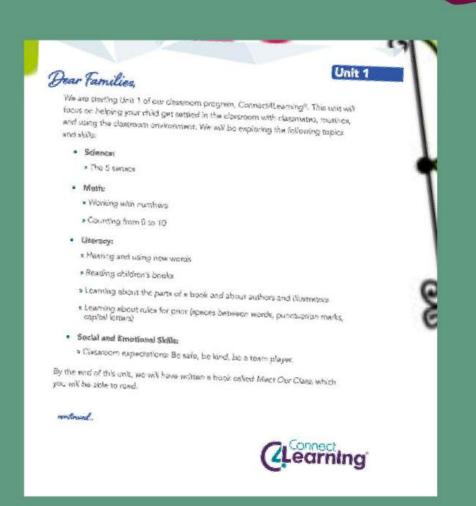

Centers

Opportunities to learn daily concepts, practice learning goals, and build on vocabulary through play in centers (building,
art, dramatic play, exploration, library, and more!)

Outdoor Play

Weather permitting, children will enjoy time outdoors to build gross motor skills. Please make sure to send your child to school with appropriate attire for the weather.

How to Get Involved...

Be on the lookout for a Unit
Introduction letter sent home in
your child's folder at the beginning
of each unit. This will help you know
what to expect at school and how
to support at home.

READ BOOKS daily 15 minutes a day.

HAVE CONVERSATIONS with your child

ASK your child about what he or she

is working on at school.
